

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GREEN RIVER ELECTRIC CORPORATION)	
)	CASE NO.
NOTICE OF INCREASE IN RATES FOR)	9165
RETAIL ELECTRIC SERVICE)	

O R D E R

On February 11, 1985, Kentuckians For Affordable Energy, Inc., ("KFAE") submitted prepared testimony of Honorable James H. Fallin, County Judge/Executive of Hancock County, Kentucky. Identical copies of Judge Fallin's testimony were proffered in this proceeding and in Case No. 9163, In Re: Big Rivers Electric Corporation's Notice of Changes in its Rates. On February 14, 1985, Green River Electric Corporation ("Green River") filed a motion to strike the testimony on the grounds that KFAE is not a party to this proceeding and has neither requested nor been granted intervention status. On February 15, 1985, KFAE responded to Green River's motion to strike by admitting that it is not a party to this case but arguing that that is a "minor technicality."

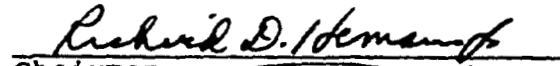

Based on the motion, the response thereto, the evidence of record and being advised, the Commission is of the opinion and hereby finds that this proceeding involves Green River's request to increase its retail electric rates to recover only the

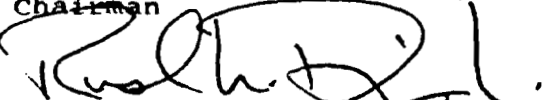

increased power costs which will result from its wholesale supplier's pending rate case, i.e, Big Rivers Case No. 9163. KFAE is a party to Big Rivers Case No. 9163, and the prepared testimony of Judge Fallin is part of the record in that case. The interest of KFAE and the position it advocates will be adequately protected by its participation in Big Rivers Case No. 9163.

IT IS THEREFORE ORDERED that Green River's motion to strike the testimony of KFAE shall be and it hereby is granted.

Done at Frankfort, Kentucky, this 1st day of March, 1985.
